Experience

Temple University Japan - Film Equipment Rental Service — *SEP 2023 - PRESENT*
- Pulling/Returning Orders for camera equipment, Equipment quality control, A/V assistance for live events; occasional teaching of the equipment at on-site workshops.

Dematic CS - Tech Support Desk — *MAY 2022 - DEC 2022*
- Working with a team to ensure clients can receive crucial technical supportsolutions 24/7. The Customer Support role focused on customer experienceand problem identification. Optimizing the flow of communication by identifyingwhat the nature of the issue was, creating Salesforce tickets, and ensuring thatbusinesses stay running by connecting them with highly skilled controls andsoftware engineers.

AccessVision Greater Battle Creek Community Media Community Television Broadcasting Intern — *JAN 2021 - JUN 2021*
- Taken on as an intern, the experience covered everything from preproduction, filming, and post-production editing — ready to air on broadcast television. As a student intern, we worked alongside the Calhoun Area Career Center to create videos highlighting the local school programs and opportunities for the surrounding local area. In the duration of the program, we produced, filmed, and edited a project for the welding program; which was a winner in the Promotional Video (3:00 Or Less) — Student category of The Philo Festival Of Media Arts Video Competition: A regional video competition that salutes the the best non-commercial, cable access TV programming.
