PROFILE

As an ambitious actress and model with knowledge concerning the film industry, I am currently seeking new opportunities in Tokyo, Japan, to further my career in modeling and acting. My goal is to exploit my multicultural and plurilingual talents, to celebrate my Venezuelan and Russian heritage, to harness the complex methods of film acting and to explore the aesthetics of the fusion between modeling and photography. After living in metropolises such as Amsterdam, The Netherlands and Paris, France, I am confident that I will be able to adapt to the lifestyle of the dynamic and blossoming capital of Japan.

EMPLOYMENT HISTORY

MODEL & ACTRESS

The Spine & Dynamite Agency. Paris, France | Sep 2023 - Present

I am currently registered at two modeling and acting agencies in Paris: The Spine and Dynamite Agency. However, because of my cross-border studies, I will seek a new modeling and acting agency in Tokyo. The Spine and Dynamite showed me how an enrollment procedure as a model is done, thus giving me more experience.

WAITRESS

Hakata Senpachi. Amsterdam, The Netherlands
| Jul 2024 - Aug 2024

During my time as a waitress, I ensured a welcoming atmosphere by preparing tables for guests before their arrival, carefully setting up table linens and silverware to create a polished dining experience. I also memorized the menu thoroughly, allowing me to confidently and accurately answer any questions customers had about menu items, which helped enhance their overall dining experience. I have refined my teamwork skills with my coworkers and my interaction and socialization skills with the customers.

SALESWOMAN & STORE GUIDE

Nature & Découvertes. | Jun 2022 - Jul 2022

I learned to meet the needs and standards of the customers as well as listen to them. I was able to work in a team and discover different personality types. I gave advice to the customers and presented the products, explaining their functions and properties. I helped organize the deliveries and manage areas of the store. This experience was short because it was a required internship with a time limit.

EDUCATION

BACHELOR'S DEGREE PROGRAM

Waseda University. Tokyo, Japan | Sep 2024 - Present

In September 2024, I have enrolled in Waseda University's School of International Liberal Studies, more specifically in the "Expression" thematic cluster. I chose classes in contemporary performing arts, fine arts, film analysis and cinematography, as well as additional classes of the SILS program.

ACTING CERTIFICATE

Cours Florent. Paris, France | Sep 2022 - Jun 2024

I have seven years of experience in theatre and film acting. I have spent the last two of these years attending the classes of Cours Florent, one of the best acting schools of France. The first year at Cours Florent was theatre acting in the English language and the second year was film acting in the French language. I also did shows and summer courses in the Dutch language.

HIGH SCHOOL DIPLOMA

École Pascal. Paris, France | Sep 2021 - Jul 2024

I have completed my High School education in École Pascal and my majors were Humanities Literature and Philosophy, History Geography Geopolitics and Political Sciences, as well as English Contemporary World (international relations). I have received my French Baccalaureate with highest honours.
