

List of activities and achievements.

1. Helped with a charity car wash for my church to earn money for the ministry and events to be held at the church. We were able to earn enough to take trips to different church events that were held in different states.
2. Did a band fundraiser, which is to help make money in order to help the band make money for the insurements and concerts. That money helped us gain enough to have recitals and take trips to perform at different universities/collages.
3. On the side I like to draw pictures of different things and would give them away if anyone would like them . I have been drawing for a very long time , but I would edit videos and collaborate with people online combining both of our edits into one.
4. My first job I got an “On Time “ award that showed I am on time to do my duty.
5. In 11th and 12th grade I am in the ATV Club which helps record clips of events that happen in the school and put them on the morning show. Sometimes we record our own thing for competitions around the world.
6. I worked in the food industry for 3 years to now to help give food away , but also give food to people that also didn't have enough to afford the whole price.
7. Took part in a film competition that was held.
8. Helped tutor anyone for example my friends or younger people that needed help on their schoolwork or with their job.
9. When I was younger I took part in a basketball team . There were a lot of games and different opportunities.
10. Learning languages is an activity I enjoy doing and spend a lot of time on. I Took a 5 week class that taught me the basics of the Japanese language.
11. Got into the National scholar society which is a society that helps give scholars opportunities to help students to reach a good education.
